Extension: Rule 9b-1

SEC File No. 270-429, OMB Control No. 3235-0480

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (“PRA”) (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget (“OMB”) a request for approval of extension of the previously approved collection of information provided for in Rule 9b-1 (17 CFR 240.9b-1), under the Securities Exchange Act of 1934 (15 U.S.C. 78a et seq.).

Rule 9b-1 (17 CFR 240.9b-1) sets forth the categories of information required to be disclosed in an options disclosure document (“ODD”) and requires the options markets to file an ODD with the Commission 60 days prior to the date it is distributed to investors. In addition, Rule 9b-1 provides that the ODD must be amended if the information in the document becomes materially inaccurate or incomplete and that amendments must be filed with the Commission 30 days prior to the distribution to customers. Finally, Rule 9b-1 requires a broker-dealer to furnish to each customer an ODD and any amendments, prior to accepting an order to purchase or sell an option on behalf of that customer.

There are 12 options markets that must comply with Rule 9b-1. These respondents work together to prepare a single ODD covering options traded on each market, as well as amendments to the ODD. These respondents file approximately 3 amendments per year. The

staff calculates that the preparation and filing of amendments should take no more than eight hours per options market. Thus, the total time burden for options markets per year is 288 hours (12 options markets x 8 hours per amendment x 3 amendments). The estimated cost for an in-house attorney is \$380 per hour,<sup>1</sup> resulting in a total internal cost of compliance for these respondents of \$109,440 per year (288 hours at \$380 per hour).

In addition, approximately 1,500 broker-dealers must comply with Rule 9b-1. Each of these respondents will process an average of 3 new customers for options each week and, therefore, will have to furnish approximately 156 ODDs per year. The postal mailing or electronic delivery of the ODD takes respondents no more than 30 seconds to complete for an annual compliance burden for each of these respondents of 78 minutes or 1.3 hours. Thus, the total time burden per year for broker-dealers is 1,950 hours (1,500 broker-dealers x 1.3 hours). The estimated cost for a general clerk of a broker-dealer is \$57 per hour,<sup>2</sup> resulting in a total internal cost of compliance for these respondents of \$111,150 per year (1,950 hours at \$57 per hour).

The total time burden for all respondents under this rule (both options markets and broker-dealers) is 2,238 hours per year (288 + 1,950), and the total internal cost of compliance is \$220,590 (\$109,440 + \$111,150).

---

<sup>1</sup> The \$380 per hour figure for an Attorney is from SIFMA's Management & Professional Earnings in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 5.35 to account for bonuses, firm size, employee benefits and overhead.

<sup>2</sup> The \$57 per hour figure for a General Clerk is from SIFMA's Office Salaries in the Securities Industry 2013, modified by Commission staff to account for an 1800-hour work-year and multiplied by 2.93 to account for bonuses, firm size, employee benefits and overhead. The staff believes that the ODD would be mailed or electronically delivered to customers by a general clerk of the broker-dealer or some other equivalent position.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.
